A FEW GUIDELINES:

1. You must rent at least 3 students for each project.
2. The amount you donate is entirely up to you!
3. Do not give the students any money directly, but give donations to Chad Guined, Kalia Mast, or drop them off at the church office. All donations will be divided among the team based on the number of hours that each team member worked.
4. Keep in mind that adults will generally not come with the youth, so please select projects that youth can complete on their own—or plan to work alongside them.

Please return forms to Trinity Evangelical at least one week before project date.
